Brand Icons

- All brand icons are trademarks of their respective owners.
- The use of these trademarks does not indicate endorsement of the trademark holder by Font Awesome, nor vice versa.

Warning!

Apparently, Adblock Plus can remove Font Awesome brand icons with their "Remove Social Media Buttons" setting. We will not use hacks to force them to display. Please **report an issue with Adblock Plus (<https://adblockplus.org/en/bugs>)** if you believe this to be an error. To work around this, you'll need to modify the social icon class names.
